IN THE COB

Update on the Nigerian Women Theologians' visit to the U.S.:

**Mrs. Mary Yohanna and
Dr. Yamtikarya Joseph Mshelia**

Annual Conference will be here before we know it! We hear that visas for our guests are in process.

To support our Nigerian sisters --

Pray for their travel and visit that:

- * the visa process will be clear and expedient
- * arrangements for travel will fall into place nicely
- * when they are here we will foster new friendships and have meaningful interaction that produce significant fruit!

Consider how we might interact with our sisters. There will be many opportunities at Annual Conference to get to know one another better. We don't know yet what the exact travel arrangements will be but we hope that they will arrive several days prior to Annual Conference and have several days after A.C. to travel and meet folks. Would you be interested in helping to host Mary and Yamti at an all-American cook-out and picnic on our farm? More later as schedules become available. Also, they may need lodging while in the area – if you're interested, please be in touch.

If you have helped to fund this visit by sending a donation to the offices in Elgin, thank you, thank you, thank you. We still need about \$5600 to cover expenses. If each of the 62 clergywomen in A.N.E. would contribute \$50 each, we could raise over half of the projected expenses. If each of us and/or our congregations contributed \$100, we would completely cover the costs. Would you partner with our Nigerian sisters in this way? Donations should be sent to:

**Church of the Brethren General Offices
1451 Dundee Ave.
Elgin, IL 60120**

Please earmark checks: **EYN Women Theologians.**
