

## AT BETHANY SEMINARY

### **When faith and science meet, "Look at Life" Conference at Bethany Theological Seminary**

615 National Road West, Richmond, Indiana  
April 25 - 27. Open to all.

We live in an age of science. We live in the presence of God. At this Conference, we want to bring both together—the facts of science, the truth of faith. And we really want you to join us!

Here you'll meet experts. But you don't need to be an expert to come. We're not looking at anyone's report card. Instead, we're looking at life—through eyes of both faith and science.

If you like to learn and talk about amazing things, you'll be among friends. Students, pastors, teachers, believers, questioners, others—lend us your ears. And if you like, offer us your voice. Please sign up now (spaces limited).

## IN THE COB

### You can participate in the Compelling Vision Process

The Church of the Brethren is currently engaged in a process that seeks the guidance of the Holy Spirit as together we discern a Compelling Vision for the Church of the Brethren.

Some of you may have already participated in one of the conversations held during the past year in our districts.

For those who may have missed one of these district gatherings, an online conversation is being scheduled for Saturday, March 23 at 3:00 pm Eastern time, 12:00 pm Pacific time. It will be held via the ZOOM video conference platform. The Zoom link will be provided as the time nears.

While pre-registration is not required, those who intend to join in that Zoom conversation are asked to email the planners at [cvpt2018@gmail.com](mailto:cvpt2018@gmail.com) or by going to the Facebook 'COB Compelling Vision Spiritual Connection Page' and joining the event there. This pre-registration will help the team have a sense of how many to expect and plan accordingly.

### 2019 "Prayer and Worship Summit"

The 2019 "Prayer and Worship Summit" titled "Praying for the Vision" will be on March 29 and 30, in Harrisonburg, VA. Brothers and sisters will come from all over the nation to devote time for worship and prayer over the visioning process.

This Summit is open to everyone, and as in the past, there will be no business conducted. It is an event to come together to worship and pray for our Denomination, asking God to help us recapture our vision. The event is free, but folks need to register early as space is limited. Saturday's lunch will be provided free as well.

Again, early registration will help planners to prepare for the necessary food services for the event. For more information check out the website at [www.brethrenprayer summit.com](http://www.brethrenprayer summit.com)
